

TRANSNATIONAL QUEER UNDERGROUND

MOST OF HISTORY HAS BEEN WRITTEN BY WHITE MEN.
WHAT THEY WROTE AND THE TRUTHS THEY CREATED
ARE WHAT WE SEE REFLECTED IN MAINSTREAM GLOBAL
POLITICS, MEDIA AND DISCOURSES TODAY.
THE HISTORY OF ALMOST ALL OTHER PEOPLE (WE
KNOW WHO WE ARE!) HAS BEEN WIDELY NEGLECTED IN
THE PAST AND IS STILL UNDERREPRESENTED IN THE
PRESENT.

WE CAN CHANGE THAT!

call for contributions:

OUR_STORY wants to challenge a heteronormative history that has mostly been written by white men and colonizers. OUR_STORY wants to highlight voices that are and have often been silenced. You're especially encouraged to submit if you have not published anything before. Reprints are ok, so are anonymous submissions.

OUR_STORY is open for submissions starting July 2017, ending in December 2017. Formats can be short stories, poems, book excerpts, interviews, diary entries, documentaries, comics and what else you can think of. Submissions can be in writing, video or audio. Accepted submissions will be published online on TQU and accessible to all.
